ARTICLE V: COMPLAINTS

Prior to an investigation to determine whether a motor vehicle is an abandoned or junked motor vehicle, a complaint must be submitted in writing with the appropriate county officer or employee.

ARTICLE VI: ABANDONED MOTOR VEHICLES

Section 1. Abandonment of Motor Vehicles Prohibited

It shall be unlawful for any person to abandon a motor vehicle on public grounds and private property within the unincorporated areas of Brunswick County and on county-owned property wherever located.

Section 2. Removal of Abandoned Motor Vehicles

The county may remove to a storage garage or area abandoned motor vehicles that are found to be in violation of this ordinance. An abandoned motor vehicle may not be removed from private property without the written request of the owner, lessee, or occupant of the premises unless the Board of Commissioners or a duly authorized county official or employee has declared the vehicle to be a health or safety hazard. Appropriate county officers and employees may, upon presentation of proper credentials, enter on any premises within the county ordinance-making jurisdiction at any reasonable hour in order to determine if any vehicles are health or safety hazards. The county may require a person requesting the removal of an abandoned motor vehicle from private property to indemnify the county against any loss, expense, or liability incurred because of vehicle's removal, storage, or sale.

Section 3. Notification and Probable Cause Hearing

- (A) Whenever a vehicle with a valid registration plate or registration is towed, the authorizing person shall immediately notify the last known registered owner of the vehicle of the following:
- (1) A description of the vehicle;
 - (2) The place where the vehicle is stored;
 - (3) The violation with which the owner is charged, if any;
 - (4) The possible sale or other disposition of the vehicle;
 - (5) The procedure the owner must follow to have the vehicle returned to him/her; and
 - (6) The procedure the owner must follow to request a probable cause hearing on the towing.

If the vehicle has a North Carolina registration plate or registration, notice shall be given to the owner within twenty-four (24) hours; if the vehicle is not registered in this State, notice shall be given to the owner within seventy-two (72) hours. This notice shall, if feasible, be given by telephone. Whether or not the owner is reached by telephone, notice shall be mailed to the owner's last known address unless the owner or the owner's agent waives this notice in writing.

- (B) Whenever a vehicle with neither a valid registration plate nor registration is towed, the authorizing person shall make reasonable efforts, including checking the vehicle identification number (VIN), to determine the last known registered owner of the vehicle and notify the owner as required by Article VII, Section 3 (a) of this ordinance. Unless the owner has otherwise been given notice, it is presumed that the authorizing person has not made reasonable efforts, as required under this section, unless notice that the vehicle would be towed was posted on the windshield or some other conspicuous place at the least ten (10) days before the towing actually occurred; except, no pretowing notice need be given if the vehicle impeded the flow of traffic or otherwise jeopardizing the public welfare so that immediate towing was necessary.
- (C) The owner or any person entitled to claim possession of the vehicle may regain possession of the motor vehicle by paying to the county all reasonable costs incidental to the removal and storage.
- (D) The owner or any person entitled to claim possession of the vehicle may request in writing a hearing to determine if probable cause existed for the towing. The request shall be filed with the magistrate's office in Brunswick County. The magistrate shall set the hearing within seventy-two (72) hours of his/her receiving the request. The owner, the person who requested the hearing if someone other than the owner, the tower, and the person who authorized the towing shall be notified of the time and place of the hearing. The rules of the General Statutes apply to any appeal.

Section 4. Disposal of abandoned motor vehicles

After holding an abandoned motor vehicle for thirty (30) days after the date of removal, the county may sell or dispose of the vehicle as follows:

- (A) If the vehicle appears to be worth less than one hundred dollars (\$100.00), the county may dispose of the vehicle as a junked motor vehicle as provided by Article VII, Section 4 of this ordinance. With the consent of the owner, the county may remove and dispose of a motor vehicle as a junked motor vehicle without regard to the value, condition or age of the vehicle and without holding it for a prescribed period of time.
- (B) If the vehicle appears to be worth one hundred (\$100.00) or more, the vehicle shall be sold at public auction. The county shall give twenty (20) days written notice of the sale to the registered owner at his last-known address, to each holder of a lien of record against the vehicle and to the state division of motor vehicles. Any person having an interest in the vehicle may redeem it at any time before the sale by paying all costs accrued to date. The proceeds of the sale shall be paid to the finance officer of the

county, who shall pay to the appropriate officers or persons the cost of removal, storage, investigation, sale and liens in that order. The remainder of the proceeds of sale, if any, shall be paid over to the registered owner, or held by the county for sixty (60) days if the registered owner cannot be located with reasonable diligence. If the owner does not claim the remainder of the proceeds within sixty (60) days after the day of the sale, the funds shall be deposited in the county's general fund and the owner's rights in the vehicle are extinguished.

Section 5. Exceptions

This article does not apply to any vehicle in an enclosed building, to any vehicle on the premises of a business enterprise being operated in a lawful place and manner if the vehicle is necessary to the operation of the enterprise, or to any vehicle in an appropriate storage place or depository maintained in a lawful place and manner by the county.

ARTICLE VII: JUNKED MOTOR VEHICLES

Section 1. Abandonment of Junked Motor Vehicles Prohibited

It shall be unlawful for any person to abandon a junked motor vehicle on public grounds and on private property within the unincorporated areas of Brunswick County and on county-owned property wherever located.

Section 2. Removal of Junked Motor Vehicles

Junked motor vehicles found to be in violation of this ordinance may be removed to a storage garage or area, but no such vehicle shall be removed from private property without the written request of the owner, lessee, or occupant of the premises unless the Board of Commissioners or a duly authorized county officer or employee finds in writing that the aesthetic benefits of removing the vehicle outweigh the burdens imposed on the private property owner. Such finding shall be based on a balancing of the monetary loss of the apparent owner against the corresponding gain to the public by promoting or enhancing community, neighborhood or area appearance. The following among other relevant factors, may be considered:

- (A) Protection of property values;
- (B) Promotion of tourism and other economic development opportunities;
- (C) Indirect protection of public health and safety;
- (D) Preservation of the character and integrity of the community; and
- (E) Promotion of comfort, happiness, and emotional stability of area residents.

The county may require any person requesting the removal of junked motor vehicle from private property to indemnify the county against any loss, expense, or liability incurred because of the removal, storage or sale of the junked motor vehicle.

Section 3. Notification and Probable Cause Hearing

- (A) Whenever a vehicle with a valid registration plate or registration is towed, the authorizing person shall immediately notify the last known registered owner of the vehicle of following:

 - (3) The violation with which the owner is charged, if any;
 - (4) The possible sale or other disposition of the vehicle; and
 - (5) The procedure the owner must follow to request a probable cause hearing on the towing.

If the vehicle has a North Carolina registration plate or registration, notice shall be given to the owner within twenty-four (24) hours; if the vehicle is not registratered in this State, notice shall be given to the owner within seventy-two (72) hours. This notice shall, if feasible, be given by telephone. Whether or not the owner is reached by telephone, notice shall be mailed to his last known address unless he/she or his/her agent waives the notice in writing.

- (B) Whenever a vehicle with neither a valid registration plate nor registration is towed, the authorizing person shall make reasonable efforts, including checking the vehicle identification number (VIN), to determine the last known registered owner of the vehicle and to notify him of the information as required by Article VII, Section 3 (a) of this ordinance. Unless the owner has otherwise been given notice, it is presumed that the authorizing person has not made reasonable efforts, as required under this section, unless notice that the vehicle would be towed was posted on the windshield or some other conspicuous place at least ten (10) days before the towing actually occurred; except, no pretowing notice need be given if the vehicle impeded the flow of traffic or otherwise jeopardized the public welfare so that immediate towing was necessary.
- (C) The owner or any other person entitled to claim possession of the vehicle may regain possession of the motor vehicle by paying to the county all reasonable costs incidental to the removal and storage.
- (D) The owner or any person entitled to claim possession of the vehicle may request in writing a hearing to determine if probable cause existed for the towing. The request shall be filed with the magistrate's office in Brunswick County. The magistrate shall set the hearing within seventy-two (72) hours of his/her receiving the request. The owner, the person who requested the hearing if someone other than the owner, the tower, and the person who authorized the towing shall be notified of the time and place of the hearing. Any decision by the magistrate may be appealed by either party to district court.

Section 4. Disposal of Junked Vehicles

After holding a junked motor vehicle for fifteen (15) days, the county may destroy it or sell it at private sale as junk. Within fifteen (15) days after the final disposition of a junked motor vehicle,

the county shall notify the state division of motor vehicles that the vehicle has been determined to be a junked motor vehicle and disposed of as such. The notice shall contain as full accurate a description of the vehicle as can be reasonably determined. The full proceeds of the sale of the junked vehicle shall be paid to the finance officer of the county, who shall pay to the appropriate officers or persons the cost of removal, storage, investigation, sale and liens, in that order. The remainder of the proceeds of sale, if any, shall be held by the county for thirty (30) days after the day the vehicle is disposed of, the funds shall be deposited in the county's general fund, and the owner's right in the vehicle are extinguished.

Section 5. Disposal of Vehicle Without Plates or Identification Numbers

If a junked motor vehicle does not display a current license plate and the vehicle identification numbers have been removed or defaced so as to be illegible, the county may dispose of a junked motor vehicle under this section rather than Article VII, Section 4. The county may destroy the vehicle or sell it at private sale, without regard to value, after having held the vehicle for forty-eight (48) hours. The proceeds shall be placed in the county's general fund.
